

Appendix 5 – Service Park Rule

Reminder: Article 49.5 of the Sporting Regulations of the Belgian Rally Championship will strictly apply!

In the service park, it is mandatory to use the bins and containers provided for this purpose by the organisation. It is forbidden to throw tires or pieces of glass in it. Only gas or electric barbecues will be allowed in the service park. They must be in order of conformity (among other things, connectors and connecting pipes).

The organisation will under no circumstances be held responsible for the private broadcasting of music in the service park.

The broadcasting of music must comply with Belgian legislation (SABAM-Equitable Remuneration...).

The private broadcasting of music is subject to the same hours as the organisation's tent, in accordance with the police order in force.

The organisation does not provide any power supply or grounding in the service park.
